

Know **when, where,** and **what care** is provided.

Only SafelyYou Clarity™ measures staff to resident care with accuracy. And without wearables.

It's the industry's first and only choice for automatic, accurate, 100% hands-free care measurement.
From the AI leader senior living relies on.

SafelyYou Clarity™ empowers operators to:

Better align labor to care plans

- ✓ Measure staff time in-room
- ✓ Know how long each care item takes and when it's completed
- ✓ Get notifications for when residents are above/below care plan

Offer improved service and ensure accuracy in billing

- ✓ Spot acuity increases & investigate trends before an incident occurs
- ✓ Make data-driven decisions & have more informed family conversations
- ✓ Bill accurately for the care they provide
