

Why Align Senior Care?

When you partner with Align Senior Care Plan for your residents, you implement a care model that:

- deploys an onsite high-touch, high-tech care model
- fully integrates with your care team
- works with existing preferred or owned ancillary services
- provides meaningful per member per month fees and quality incentives to you as our community partner.

In partnership with
LeadingAge[™]
California

Improved Health Care for Your Residents

Our "Plan Plus Care" model is built upon a breadth of experience caring for the most vulnerable populations.

Across our book of business, hospital admissions have been reduced by 35%.

We improve residents' access to the care they need.

Improved Financial Health for Your Organization

You have no initial capital investment to implement the plan.

You receive a setup incentive to implement our model of care.

We pay you significant bonuses for delivering quality care.

We pay you 100% Medicare rates.

A True Partnership

We are accretive day one.

We are collaborative by nature.

We provide and fund a Care Ally to manage the intersection of your residents, their care, and the plan.

We offer a boutique service to tailor our engagement at each of your communities.
